CATS OF CLAWHILL

8 x 30 / 2007 / ID: 125331

Discover everything you need to know about your feline friend in Cats 101. In this fun crash course, learn about various breeds, genetic history and quirky cat facts.

DANIEL AND OUR CATS

1 x 60 / 2006 / ID: 21375

Catherine, 30, a beautiful French woman, arrived in Namibia in search of the big African cats. In the midst of the desert she married the 'lion man', Daniel, and lived an unusual and idyllic life in the remote Namibian hills with two leopards and a black-maned lion. One fateful night everything she loved was snatched away from her - Daniel was imprisoned, the cats taken to a secret location. When Daniel was released, they started a new life in South Africa with a baby lion cub, whilst still battling for their other cats. Then tragedy hit them all. In this special, Catherine tells us her personal true story of love, loss and healing.

TREE HOUSE CATS

1 x 30 / 2007 / ID: 122432

"Tree House Cats" follows the work and lives of three young people in Chicago who are dedicated to the cause of helping abused, injured and abandoned cats. Chelsea Wells, Ollie Davidson and Jamie Christiano have found their calling at Tree House Animal Foundation, a cageless no-kill shelter that rescues and finds homes for over 600 cats every year. This is a show for all animal lovers, as we discover what it takes to give round-the-clock care to tiny orphaned kittens, to rescue abused cats in need of emergency surgery and loving rehabilitation, and to find the perfect home for each distinctive feline personality.

TREETOP CAT RESCUE

10 x 30 / 2014 / ID: 147721

From spastic cats that break up relationships to violent felines that put their owners in the hospital, cat behaviorist Jackson Galaxy has seen it all. Follow Jackson as he brings his unique understanding of cats to desperate families on the verge of giving up on their furry companions.

ALASKA DOGS

1 x 60 / 2009 / ID: 128001

Dogs are crucial to life in Alaska; whether hauling goods across treacherous terrain, rescuing people buried by avalanches or racing across vast distances, these loyal companions have proven themselves integral to survival in this frozen frontier. Explore the variety of Alaskan breeds, and the colourful characters who rely on them.

CELL DOGS

13 x 60 / 2003 / ID: 105442

Share inmates' experience of being in a dog training program. From meeting a new puppy, taking them through training, and ultimately saying goodbye when the dog is ready for adoption, this is an emotional, challenging experience for the inmates. Dog programs are starting in prisons all over the country. They've been incredibly successful, both in reducing inmate violence, and generating skills and a sense of purpose for people who've had few other chances to succeed.

DOG CASTLE

10 x 30 / 2008 / ID: 125478

The Japanese love for companion animals is exceptional. With a population of 126 million, Japan has more than 8 million pet cats and 12.5 million dogs – more pets than children under the age of 12. In each episode of "Dog Castle", see an entertaining and insightful portrait of Japan's most loved pets and the people who devote their every waking moment to them.

CATS 101

14 x 60 / 2008-2012 / ID: 126587

Discover everything you need to know about your feline friend in Cats 101. In this fun crash course, learn about various breeds, genetic history and quirky cat facts.

DOGS 101

29 x 60 / 2008-2012 / ID: 124100

Dogs 101 is a visual encyclopedia of dog breeds celebrating a variety of fascinating facts surrounding man's best friend. With over 800 types of dogs recognized worldwide, the spotlight will fall on the adorable, the feisty and the unexpected.

PETS 101

4 x 60 / 2010-2011 / ID: 130249

The pet world is not just about cats and dogs. Millions of homes welcome a menagerie of furry, feathery, scaly critters in as pets. These love bundles are a quirky mix of warm and fuzzy, chatty and elegant, inquisitive and cuddly. Some lounge around the house, some stay cool in the pool, still others spin the days away on the exercise wheel in their cage.

MUST LOVE CATS

12 x 60 / 2011-2012 / ID: 129800, 135180

Must Love Cats is a celebration of fascinating felines and the fascinating people who love them. From felines that saved their owners' lives to swanky cat-only hotels, the series spans the realm of all things "cat." It offers a smorgasbord of amazing feline stories, jam-packed with interesting factoids and trivia bits.

MY CAT FROM HELL

Series 1-6: 63 x 60 / 2009-2013 / ID: 129796, 134461, 136127, 137909, 142078, 146436

From spastic cats that break up relationships to violent felines that put their owners in the hospital, cat behaviorist Jackson Galaxy has seen it all. Follow Jackson as he brings his unique understanding of cats to desperate families on the verge of giving up on their furry companions.

BAD DOG!

12 x 60 / 2011 / ID: 129801

Dogs can be bad. They can turn a \$1,000 sofa into a chew toy, steal an entire Thanksgiving turkey (and get the carcass stuck on their heads) and may even get too amorous with Aunt Betty. And lucky for us, it's all caught on tape!

HELP! I'M BECOMING A CAT LADY!

1 x 60 / 2010 / ID: 134104

Everyone knows an overly obsessed cat owner who prefers a quiet night at home with her pets to a night on the town. Follow lifestyle and dating coach Alyson Mischel as she motivates cat ladies to get off the couch through confidence-building exercises and makeovers. Alyson digs deep to inspire real change in women teetering on the edge of total seclusion.

DOGS VS CATS

1 x 60 / 2009 / ID: 128415

With witty banter, science factoids and pet-owning tips, Dogs vs. Cats is LOTS of pet-loving fun. Join the debate over which domesticated house pet reigns supreme. From biology to pop culture, we select the best "evidence" that highlights the worst, the extreme, the whacky and the cuddly. Whatever it takes to prove, once and for all, which pet is superior!
