WHEN WE LEFT EARTH: THE NASA**MISSIONS**

6 x 60 / Discovery Channel / 2007 / ID: 25561

Space has been visited by no more than 500 people. Follow this stunning series that opens up this boundless void like never before, using re-mastered high definition footage from the libraries of NASA. The missions, the people and the triumphs of exploration are revealed in a depth of detail previously experienced only by the astronauts themselves.

DISASTER IN THE GULF: A RACE AGAINST TIME

1 x 60 / Discovery Channel / 2010 / ID: 26265

Take an exclusive, behind-the-scenes look at the engineering efforts used to stop the oil spill in the Gulf of Mexico, the worst environmental catastrophe in U.S. history. This journey includes never-before-seen footage of the elite specialist team at work inside the BP Hive.

ATTACK ON THE USS COLE

1 x 60 / Discovery Channel / 2006 / ID: 25367

On October 12, 2000, the USS Cole sailed into a Yemenese harbour to refuel even though intelligence was reporting that Al Qaeda was planning attacks on ships. Seventeen sailors were killed and thirty-nine injured in the explosion that day. This intense documentary begins with the terrorist cell and finishes with the suicide bombing on the Cole. Hear the stories of heroism that saved the ship and crew from complete destruction.

MASSACRE IN MADRID

1 x 60 / Discovery Channel / 2006 / ID: 109471

On 11 March 2004, 14 bombs exploded in Madrid. They killed 200 people and injured a thousand more. Al Qaeda sent a clear message that they meant business. Three days later, the bombs and the terrorists succeeded in doing what no other terrorist movement accomplished in such a short time: they took a political party out of the game and out of government.

HISTORY OF SINGAPORE

4 x 60 / Discovery Channel / 2005 / ID: 68519

The history of Singapore is a remarkable one. It is the compelling tale of how one of the smallest nations on earth has achieved the greatest economic and social miracle in modern history. How did this small, palm-tree covered island, with no natural resources and a tiny native population, rise to wield such disproportionate economic strength?

JFK: INSIDE THE TARGET CAR

1 x 60 / Discovery Channel / 2008 / ID: 25821

Decades after the Warren Commission determined that three shots were fired from the Texas School Book Depository building, theories still linger about additional locations and accomplices. To find the answers, a team of experts performs an array of ballistic tests, trajectory analysis and the latest in forensic artificial body creation.

RESCUED: THE CHILEAN MINE STORY

1 x 60 / Discovery Channel / 2010 / ID: 69841

It was one of the greatest rescues that the world has ever seen – 33 miners, trapped 2,300 feet below the ground in Copiapo, Chile. Now, we go inside the rescue with exclusive footage from the on-site rescue command centre and of the harsh reality of how the men survived their 68 days of captivity.

9/11: AFTER THE TOWERS FELL

1 x 60 / Discovery Channel / 2010 / ID: 26205

When the Twin Towers collapsed on September 11, 2001, thousands were feared trapped beneath the tons of steel and rubble. After the Towers Fell is the first in-depth look at the aftermath of the Towers' collapse and the heroes who selflessly took on the monumental task of rescue and recovery of their fellow New Yorkers.

OSAMA BIN LADEN: THE FINISH

1 x 60 / Discovery Channel / 2012 / ID: 26436

Follow bestselling author Mark Bowden on his journey to write the incredible story about the hunt for Osama Bin Laden. Through interviews conducted with SEAL Team 6 members and local villagers, Bowden commemorates the one year anniversary of Bin Laden's death and analyses its implications on the world.

CRUISE SHIP DISASTER: INSIDE THE CONCORDIA

1 x 60 / Discovery Channel / 2012 / ID: 26552

When the hull of one of the biggest cruise ships in the world is ripped open by a submerged rock off the Italian coast, it starts a night of terror for the four thousand passengers and crew on board the Costa Concordia. This special features extraordinary eyewitness accounts from survivors, exclusive analysis from marine experts and remarkable footage filmed by people on board as the nightmare unfolded.

FUGA DE LAS FARC

1 x 60 / Discovery Channel / 2007 / ID: 69359

John Frank Pinchao shouldn't be alive, literally. As a police officer in Colombia in 1998, he survived a three-day attack by the Revolutionary Armed Forces of Colombia (FARC). This documentary narrates how a malnourished, severely dehydrated man escaped a FARC encampment and survived 17 days in the virgin jungles of Colombia.

SECRETS OF SECRET SOCIETIES

1 x 60 / Discovery Channel / 2012 / ID: 26553

Do secret societies exist in our own time, manipulating government from behind the scenes? Go behind the curtain of myth and legend with insiders and members of today's secret societies including the Freemasons, Skull and Bones, Opus Day and more.

CHILE 8.8

1 x 60 / Discovery Channel / 2010 / ID: 69712

On Saturday February 27 a massive earthquake of 8.8 degrees hit near the Coast of Chile. This region has a history of very large earthquakes. Since 1973, there have been 13 events of magnitude 7.0 or greater. The shock originated about 230 km north of the source region of the magnitude 9.5 earthquake of May, 1960 - the largest earthquake worldwide since the beginning of instrumental seismology at the beginning of the twentieth century.

COMBAT ZONE

13 x 60 / Discovery Channel / 2006 / ID: 25324

Combat Zone is a thirteen-part series with each episode focusing on a single battle, mission or moment of armed conflict from recent history. Told from the personal perspectives of participants, some stories will be well-known while others will be told for the first time. From Korea to Iraq, tales of heroism, courage and valor are told by the men who fought them.

DETROIT IN OVERDRIVE

3 x 60 / 2010 / ID: 132186

Detroit was the birthplace of the middle class and a city that came with the guarantee of the American dream. After hard economic times, Detroit is now rebuilding itself and trying to re-define how America can survive in a post-industrial future. *Detroit in Overdrive* depicts the stories of the people of Motor City who are coming together to rebuild and save it.

AMERICA'S MOST BADASS

6 x 60 / American Heroes Channel / 2014 / ID: 147335

American Badasses is an exciting historical series that details the untold badass side of American icons. Each episode we'll highlight the badassery of three known historical figures using various forms of storytelling - all in an effort to show how truly badass they were!
