With a host of devilish cats that are threatening to tear their owners’ relationships and homes apart, cat-behaviourist Jackson Galaxy helps families cure their unruly companions. Each episode reveals first-hand accounts of cat owners struggling to reign in their feisty felines and find domestic harmony.

NINJA SHARKS
2014 • PRODUCED BY DISCOVERY STUDIOS, LLC.
1x60
Ninja Sharks explores six sharks with unique adaptations that have evolved over millions of years, making them the most lethal hunters in the sea.
This programme seeks to find answers for a series of great white shark attacks that have occurred with clocklike precision at the same beach, in the same month, every two years. The location is Surf Beach, California, and the last two attacks in 2010 and 2012 both resulted in fatalities. Shark expert Ralph Collier and Brandon McMillan seek answers.

Ten people are dead and three are eaten by a man-eating tigress. Each time, the killer slips away. Using state-of-the-art tools and centuries-old techniques, expert hunters and dedicated forestry officers head out to find her. But the search area is vast and stealth is the killer’s greatest asset. Can they stop the tigress in time before another person dies at the jaws of the Mysterious Queen?

Imagine if you could live a day in the life of a great white shark. Using the most advanced underwater surveillance system imaginable, we are going to embed ourselves into the great white sharkiest waters on Earth. No host, no marine biologists, just an incredible story that follows the adventure of a juvenile great white as he learns what it takes to survive in the ruthless hunting grounds that surround Dyer Island, South Africa.

In a remote corner of the Indian Ocean, Reunion Island has become the most dangerous place on the planet for shark attacks. After seven deaths in four years, locals and scientists are in a race against time to find answers before another fatal encounter.

Featuring Dr. Greg Skomal, Massachusetts Marine Fisheries’ senior biologist, as he tags great white sharks off the coast of Cape Cod and attempts to determine their swim patterns once they leave the Massachusetts coast. As patterns point to the Southern U.S., Dr. Skomal tries to establish why the Florida coast is the new great white shark hotspot in the Atlantic.
In *Sharks of the Shadowland*, divers in New Zealand tag a sevengill shark. The sevengill shark remains somewhat of a mystery and a team of shark experts are on a mission to find out how they hunt and more importantly how to better understand their behaviour and prevent shark attacks.

Follow an expedition in Cuba that unites American and Cuban scientists in an effort to answer the question: Do large sharks still exist in this relatively unexplored area of the world? Filmmaker Ian Shive and a team of shark researchers headed to Havana in an attempt to unravel the mystery surrounding El Monstruo. And for the first time ever, Shive and his team satellite tag sharks in Cuba, including a rare species of shark.

Shaun Sears and Tom Otto, brothers-in-law and tree arborists, make up Canopy Cat Rescue, a highly skilled two-man operation trained to climb dangerously tall trees to save desperate, stranded cats. Over the past two years, they have rescued nearly 500 cats from treetops as high up as 165 feet. Working off of donations only, Canopy Cat Rescue relies heavily on its social media network and other supporters to continue providing this service to the cat owners of the greater Seattle area.

This spectacular series sweeps across the most diverse peninsular in the world. From Malaysia to Southwest China, Vietnam to Cambodia and Thailand, this vast area includes outstanding landscapes, historic cities, tropical jungles and armies of animals. With mangroves and mountains, pygmy elephants, turtles and rare birds, it is no wonder that the term “mega-diverse” is now attributed to parts of the region.
BLOOD RELATIVES
2013-2014 • PRODUCED BY MIKE MATHIS PRODUCTIONS, INC.

Series 1: 5x60, Series 2: 13x60, Series 3: 13x60, Series 4: 13x60

From teens who kill their parents, to fathers and mothers that kill sons and daughters, and each other, these are the people who are supposed to love each other the most. They protect you, feed you, keep you warm and tuck you in at night. They’re not supposed to do terrible things to you. They’re not supposed to kill you. How could someone kill one of their Blood Relatives? That question is at the heart of this series.

REDRUM
2011-2014 • PRODUCED BY STEPHEN DAVID ENTERTAINMENT
Series 1: 10x30, Series 2: 20x30, Series 3: 12x30

No detective starts their search at the beginning of the crime. Rather, a murder investigation always begins with the body, after the deed is done. It is up to the police to piece together the story, moving backwards in time until they arrive at the root of the crime. Redrum follows the backwards tale of murder until the truth finally comes out at the very end.

SEX SENT ME TO THE SLAMMER
2014 • PRODUCED BY INDIGO FILMS ENTERTAINMENT GROUP, INC.
12x30

Sex Sent Me to the Slammer is a series featuring true stories of people whose outrageous sexual escapades get them busted and often put behind bars. Each episode recounts two darkly humorous and deliciously embarrassing accounts of people who get caught, cuffed and in some cases thrown in jail after engaging in some serious hanky-panky. These are real people who can honestly say that their hot encounters landed them in hot water with the law.
Across the Deep South, heat, humidity and darn good hiding places provide a perfect backdrop for dark, despicable deeds. Southern Fried Homicide transports viewers into the steamy subculture whose lifestyles and charming drawls are captivating and covering up heinous crimes. The series probes the juiciest stories from down in the Bible Belt.

Guaranteed to satisfy inquiring minds, the one-hour show, hosted by the Emmy® Award–winning king of tabloid television Jerry Springer, peels back the curtain to probe the most bizarre, larger-than-life stories you can’t possibly imagine.

S1: Rights excluding North America and non-DCL platforms.
Unraveled takes a penetrating look at the psychological forces that drive a person to commit homicide. Whether motivated by childhood or adult struggles, each episode traces the perpetrator’s tortuous journey that ends in a stunning act of violence.

In the 21st century world, we’re increasingly living our lives online, unaware of the risks that can lie ahead. Looking for friendships, love, sex or business opportunities has led many into a twilight world of seduction, danger and false identity. What unites these shocking tales of true crime is their unpredictability. You never know where the web of lies will lead.

Meet the men and women whose better half turns out to be the worst half possible. Each one thought that they were happily married ... until the day they uncovered secrets about their spouse. From wives who prey on military men, to husbands wanted by the FBI, learn about the ugly surprises that unravel the lives of their unsuspecting partners.

Women in Prison explores the lives of women who, often after one tragic misstep, end up on the wrong side of the law. Featuring profiles of a suburban soccer mom, a high school art teacher and a preacher’s daughter, these unlikely convicts confess their shocking crimes and reveal how they’ve learned to survive in this hostile, alien environment.

OUTRAGEOUS ACTS OF PSYCH
2014 • PRODUCED BY MIKE MATHIS PRODUCTIONS, INC.

Outrageous Acts of Psych is the new show in which unsuspecting people on the street, in offices, at colleges, in restaurants and in public places everywhere unwittingly take part in hilarious hidden-camera stunts that look like practical jokes but are really social science experiments. The resulting scenarios are analysed by a rotating cast of experts who help us understand why we humans behave in the funny ways that we do.
OUTRAGEOUS ACTS OF SCIENCE
2013-2015 • PRODUCED BY OCTOBER FILMS
Series 1: 7x60, Series 2: 9x60, Series 3: 20x60
From self-experimenting human guinea pigs, nature-obsessed, natural born thrillers and the danger junkies of epic stunts, we watch a fast-paced countdown of the world’s top-20 YouTube homemade science stunts and experiments. Each episode finds the cleverest, funniest, most daring, outrageous or just downright bizarre clips – and uses a top cast of the world’s best science experts to unpack and explain them for us. They will explain the what, how and why of the biology, physics and chemistry that made these clips possible.

THROUGH THE WORMHOLE WITH MORGAN FREEMAN
2010-2014 • PRODUCED BY REVELATIONS ENTERTAINMENT
Series 1: 8x60, Series 2: 10x60, Series 3: 10x60
Series 4: 10x60, Series 5: 10x60, Series 6: 6x60
Science Channel’s triple-Emmy®-nominated hit series Through the Wormhole with Morgan Freeman is back for its sixth and most provocative season to date. The latest season includes six all-new episodes tackling tough topics such as race, religion and our future as a species.

WHAT COULD POSSIBLY GO WRONG?
2014 • PRODUCED BY HOFF PRODUCTIONS
10x60
Real-life friends, Grant Reynolds and Kevin Moore, work to decipher what went wrong in the most outrageous Internet fail videos. Kevin is the know-it-all science guy with the PhD, and Grant is a former Special Forces operative turned survivalist and trainer for the Navy Seals, FBI and DEA. Together this pair is ready to out-build, out-kaboom and out-science the world’s craziest viral videos.
SURVIVAL + ADVENTURE
**AFTERSHOCK: DISASTER IN NEPAL**

2015 • PRODUCED BY ITN PRODUCTIONS

High on Everest, a deadly avalanche was initiated, ice, rock and snow slamming into Base Camp killing at least 18 people and leaving hundreds stranded. This fast-turnaround documentary combines geological analysis of the tectonic event with expert testimony and demonstration from leading earth scientists, hazard specialists and mountaineering professionals.

**DUAL SURVIVAL**

2009-2014 • PRODUCED BY ORIGINAL MEDIA, LLC.

Series 1: 10x60, Series 2: 12x60, Series 3: 11x60, Series 4: 10x60, Series 5: 13x60

Joseph Teti and Matt Graham are two survivalists who take on some of the planet’s most unforgiving terrain to demonstrate how the right skills and some creative thinking can keep you alive. Equipped only with the minimal gear that would have been carried in the real-life situations, Teti and Graham must draw upon their arsenal of skills as well as their surroundings to demonstrate what it takes to survive.

Plus

Dual Survival: Biggest Blowouts: 1x60
MAULED: SURVIVOR’S CLUB
2014 • PRODUCED BY SIRENS MEDIA

1x60

NAKED AND AFRAID
2013-2014 • PRODUCED BY RENEGADE 83

Series 1: 27x60, Series 2: 16x60

This series takes “survival of the fittest” to the next level, where a pair of complete strangers will find themselves stranded in one of the world’s most extreme environments. The duo will be left high and dry with no food, no water ... and no clothes. They must survive on their own for a full 21 days, with only one personal item each, and the knowledge that the only prize is their pride and sense of accomplishment. Plus, Naked and Afraid: Bares All Specials shows all that TV couldn’t!

Plus Specials: 7x60

ROBSON GREEN: EXTREME FISHERMAN
2013 • PRODUCED BY IWC MEDIA LTD.

8x60

Robson is taking extreme fishing to a different level. This time, he will be using all the skills he’s learned over the last five years and testing himself to the limit to outwit the most extreme fish ever.
Ever since he was a teenager, Geordie Stewart has been fired by a hugely ambitious desire—to climb the highest mountain in each of the world’s seven continents. The Ultimate Climb features exclusive breath-taking footage that Geordie shot on his epic quest as he tries to complete his dream by climbing the highest and most famous mountain in the world: Everest.

In 1914, Ernest Shackleton led an expedition to cross Antarctica on foot for the first time. World-leading explorer Tim Jarvis, and a crew of five men, will attempt to follow Shackleton’s incredible journey. Using exactly the same equipment and clothing as used a century before, Tim and his crew will take themselves beyond the point of no return to find out how Shackleton pulled off such an incredible feat in such atrocious conditions.

Wildlife expert and adventurer Steve Backshall has spent his entire life getting up-close to incredible animals. Now he wants to find answers to his own questions about four of the most monstrous animals on our planet – the hippo, anaconda, giant Humboldt squid and great white shark. Steve will enter their underwater world and get closer to them than ever before.

Endurance athlete James Cracknell fulfills a lifelong dream as he follows in the footsteps of the greatest adventurers of our time. Cracknell takes on four of the world’s most epic journeys: Livingstone, Fawcett, the Gold Rush pioneers and the crew of the Dundonald. He attempts to survive as his predecessors did using only the equipment that was available to them, as well as solve some of the mysteries of these iconic journeys.
LOCAL
COMMISSIONS
Germany is a multi-cultural mixture of all nations. And the Turkish community is amongst the biggest in Europe. In our new docu-soap we feature the Turkish family Celik from Düsseldorf. An exciting, funny and emotional mixture of culture clash and family bounds.

ASPHALT COWBOYS  
2012-2015 • PRODUCED BY PREVIEW PRODUCTION GBR  
Series 1: 4x60, Series 2: 4x60, Series 3: 4x60  
Series 4: 4x60, Series 5: 6x60, Series 6: 6x60

Truckers are always on the move, travelling hundreds and thousands of kilometres day after day, carrying tons of goods that modern society requires 365 days a year. These long-haulers are often hounded by truck companies, schedulers and customers – but they’re tough guys. With lots of experience, a passion for adventure and a good sense of humour, these Asphalt Cowboys live for the smell of diesel and the amazing promises of an open road.

FULL PULL  
2015 • PRODUCED BY SCHWARZBILD MEDIENPRODUKTION GMBH  
Series 1: 4x60  
Series 2: 4x60

They were one of the highest-rated parts of “The Hobbyist” series: the smoking, fuming, dirt-digging tractor pullers. In this series, we follow the entertaining life of three families and tractor puller clans through their season in the tractor pulling league.

THE GEIGER – BOSS OF BIG BLOCKS  
2014 • PRODUCED BY SCHWARZBILD MEDIENPRODUKTION GMBH  
Series 1: 4x60  
Series 2: 6x60

Without a V8, nothing drives here at the car dealership of the Boss of Big Blocks. Karl Geiger is the specialist when it comes to talking about the biggest cube capacities, horse power or newly achieved speed records. Together with his dedicated team, he is working day and night to make dreams of his customers come true.
THE GERMAN LOGGERS
2016 • PRODUCED BY SCHWARZBILD MEDIENPRODUKTION GMBH

They work in harsh landscapes, risking their lives every day. Whether a lone fighter in Austria, a family business in Germany, or specialists in Switzerland. All must prove their abilities and further develop themselves on a daily basis in order to survive, because there are many who want to earn their money with Alpine wood. In our docu-soap we follow the rough life of loggers in the German Alps.

GOLDTIMER
2015 • PRODUCED BY MAXIMUS FILM GMBH

Times are hard for savers. Zero interest rules the financial world. So sometimes it’s better to spend the money reasonably. And that’s where we come into play. Our host, together with experienced experts, looks for classic cars that will become even more valuable. At the end of each show, our host presents three different cars to the client. But there’s a twist: The car that our host feels is the perfect match for the client is a wild card.

MEN OF THE SEA
2015 • PRODUCED BY PREVIEW PRODUCTION GBR

The great wide ocean, the freedom, the peace. Men of the Sea is off to a big adventure. The tides will get high and not only the seagulls will scream for more. We will follow a witty crab fisher in the East Sea, an inland water navigator on the river Rhine, a crew on a towboat accompanying big container ships to the safe harbour irrespective of weather or time of day.

PERFECT LOOK
2014 • PRODUCED BY REDSEVEN ENTERTAINMENT GMBH

Three fashion experts, one styling contest. Each of our experts “pimps” the style of one brave contestant to give her a new and unique look. In the end, it is the lady who decides which expert has won by choosing which of the three looks she likes best!

STEEL BUDDIES
2014-2015 • PRODUCED BY SPN TV SPECIAL INTEREST GMBH

A character-driven docu-soap about a small company that is dealing with discharged military equipment on a big scale e.g., trucks, jeeps, boats and even planes. And the Steel Buddies mastermind from Westerwald has a long and impressive list of outstanding projects all over the world.

Rights in Germany, Austria and Switzerland restricted to basic cable, online / mobile, 7-day catch-up and standard TV.
One of the darkest events in Spanish contemporary history took place between 1936 and 1939 – a civil war that was to permanently scar the country. Spain was left divided, with the dictatorship, the transition period and the early years of democracy all unable to heal the wounds of war. Now, 80 years on, and with a few living survivors of the conflict left, it is time to begin to look back.

Frank travels from the Natural History Museum in London to Australia to find out more about Darwin’s tortoise. In Australia, Frank drives a mobile home through the Outback and tropical rainforests of Queensland to show the most spectacular and representative local animals in their natural habitat. Frank’s objective is to explain why these Australian species are so different from others using Darwin’s theory of evolution.

In the mountainous region of Abruzzo, our adventurer discovers Cocullo, a little village with a mysterious history. Honouring their Saint, Domenico of Sora, the first Thursday of May, the inhabitants of the Italian village go out in procession. But not just a traditional religious procession as usual: Dozens of snakes are sliding by the saint that young people carry on their shoulders.

Frank is trying to unravel the “dragon myth.” Not only will he encounter “dragons,” i.e. lizards and monitors, but he will also be following the anthropological hypothesis about the inborn fear of humans. Frank will approach the three animals that will bring together the legendary dragon creature: a big feline, a mortal and poisoning snake and an eagle.
Jodie Marsh investigates the new world drugs from user to dealer and uncovers shocking stories from victims. As a strong anti-drug advocate, she pushes her way into a world she knows nothing about to meet its players and understand the risks. But Jodie’s investigation opens up an even more frightening drug trend, where entirely legal but potential lethal drugs can be bought online or on the high street.

Jodie explores the reasons why so many men lie and cheat.

Jodie heads to the Ukraine where she experiences the ever-growing mail order bride business first-hand.

Jodie explores what is motivating even greater numbers to go under the knife and why so many people are now looking to reverse their surgery.

Jodie Marsh, the natural body building champion, glamour model and investigative journalist, lifts the lid on the undercover world of steroid users. She wants to understand why people take them, explore the physical, psychological and emotional effects they can have on their lives, and find out whether you can achieve the strength and appearance of a body on steroids, naturally.

Jodie Marsh investigates virginity.

Jodie Marsh investigates sex tourism.
