SPACE: UNRAVELING THE COSMOS
PRODUCED BY PERCOLATE DIGITAL / 2014
3 X 60
From the Big Bang to the present and forward into the future, explore the birth, evolution and end of the phenomena that make up the universe as never seen before. Lyrical and deeply stereoscopic 3D and Ultra HD (4K) shots immerse the viewer within space itself as concepts are presented with relatable visual storytelling. What’s the view like from inside a nebula, or a comet’s tail? What does traveling at the speed of light really look like, and just how hot is the planet Mercury? Inhabit and reach out to touch the answers.

*Available in 3D only
Discover the essence of feline fluffiness and canine cuteness as we count down the cutest pet videos from the web – from the mini pig that plays the piano to a cat that prefers the friendship of a dolphin, these pets are sure to cause ear-to-ear smiles!

With access to a range of animal transport companies, zoos and aquariums, follow the expert handlers entrusted with moving some of the world’s most precious and challenging cargo. From a hippo on the move from a West Midlands safari park to a zoo in France and 12 penguins going on a 12,000-mile plane journey from New Zealand to England in a refrigerated “penguin hotel,” see the logistical challenges associated with moving each animal.
GLORY HOUNDS
PRODUCED BY TEN100, LLC. / 2013

1 X 120

On the battlefields, a remarkable group serves the United States with limitless courage and unparalleled loyalty. Devoted to protecting their comrades, military working dogs serve beside their human partners in Afghanistan. They only ask for affection in return. This special explores the friendships between man and dog that are magnified and transformed into deep, emotional bonds that can last the rest of their lives.

FEEDING TIME
PRODUCED BY ELECTRIC SKY / 2011

3 X 60

Get up close and personal with some of the world’s most exotic animals. Guided by their keepers, we get behind-the-scenes access to zoos in the U.S. and the U.K., discovering the animals’ fussy eating habits and individual personalities. We find out just how a zoo manages to feed animals from the savanna of Africa, mountains of China or the tundra of the Arctic with what is available locally during the most exciting moment of the day – Feeding Time.

*Also available in 3D
In a two-part special, we follow a team of hunters and conservationists as they pursue invasive reptiles and creatures that encroach on neighborhoods, attacking people and pets. In Florida, they track down giant pythons, vicious mini dinosaurs and a slimy species that carries a deadly virus. In Texas, the team tries to control the more than two million aggressive, wild pigs running amok and causing havoc.

In spite of heroic efforts by South African anti-poaching units, rhino poachers are still running rampant and the carnage is escalating. In 2011, almost 400 rhinos were killed. Sickened by the slaughter, and frustrated by their inability to stop it, a group of private game reserves is now taking direct action. They are banding together to try to take down the ruthless poachers by drafting in former U.S. Special Forces operatives.

In a three-part special, we follow a team of Catfish cowboys from Alabama, Arkansas, Kentucky, Louisiana, Mississippi, North Carolina, Tennessee and Texas square off against one another in a high-adrenaline, bracket-style noodling tournament in Texas to decide who will be crowned Catfishin’ Kings!

INSIDE WACO
PRODUCED BY ARROW INTERNATIONAL MEDIA LTD. / 2013
1 X 60

When a raid on a religious cult in Waco, Texas, goes wrong, six people are left dead and one of the longest stand-offs in American history begins. For 51 days, FBI negotiators attempt to secure the release of over a hundred people, many of them women and children, from inside a compound controlled by cult leader David Koresh. With negotiations grinding to a halt, the FBI attempts the use of tear gas to force the cult members out with catastrophic consequences.

DESPERATE MEASURES
PRODUCED BY 20 WEST PRODUCTIONS / 2013
3 X 60

Desperation is a force so powerful that it drives us to do anything we can to come out on top. When we’re backed into a corner, our animal instincts emerge and seemingly upstanding citizens are driven to commit incredibly reckless and dangerous acts. Desperate Measures tells tales of people so desperate to save a marriage, gain custody of their children or keep their hard-earned money that they commit unspeakable acts of murder and violence.

EXTREME SMUGGLING
PRODUCED BY DISCOVERY STUDIOS, LLC. / 2013
4 X 60

Gaining insight to the world of trafficking and smuggling, uncover the clever and exhaustive investigative work involved to target smugglers and bring them down. Exclusive hidden camera footage and interviews reveal the extreme lengths that criminals will go in order to get contraband across borders. We look at distribution of illegal weapons on the black market to smuggling of exotic and endangered wildlife.
MARKED BY THE MOB
PRODUCED BY WORKAHOLIC PRODUCTIONS, INC. / 2013
4 X 60
See the true stories behind some of the most famous mob hits in history, played out in vivid, dynamic animation. For over a century, the mob has been a violent component of America’s underbelly. The mob has its own rules and its own way of doing things. When problems arise, it settles them through bloodshed. Whether it’s about honor, power or a personal grudge, offenders usually pay with their lives. The methods of execution vary, from something as simple as a pocketknife to a complex, yet perfectly built bomb. In the world of the mob, no one is ever safe and no one goes quietly. Because you’re as good as dead when you are...
Marked by the Mob.

POISONED PASSIONS
PRODUCED BY OPTOMEN PRODUCTIONS INC. / 2013
6 X 60
Poisoned Passions dives into stories of star-crossed lovers – women who fall in love with the wrong men and learn the hard way that, in their cases, love does not conquer all. Told from each woman’s point of view, she reveals how she gives herself over to her darkest impulses and finds herself in twisted, and often lethal, scenarios.

DARK SECRETS
PRODUCED BY DIGITAL RANCH PRODUCTIONS, INC. / 2013
8 X 30
When an abandoned building is cleared for demolition, a locked door is discovered in its basement. The door conceals an archive of strange and disturbing specimens, recordings, photos and documentary films; compelling evidence of monstrous creatures and preternatural events. The documentarian’s whereabouts remain unknown. In his records, he identifies himself only as “The Teller.” Whoever The Teller was, he saw it as his mission to make the public aware of these troubling truths. His many eerie case files and investigations reveal a frightening world of dark secrets.
Host of the 2014 World Cup, Brazil has had a landmark year; however, the inhabitants of the Amazon rainforest in Brazil live outside the soccer fever. Herpetologist Frank Cuesta explores the Amazon to discover a completely unknown wilderness. His adventures include living with the Sateré Mawé and Dessanas tribes. Frank must learn to survive in an environment filled with dangerous animals and misleading vegetation. He will eat what they eat, sleep as they sleep, hunt and will fish the traditional way, and even be subjected to painful rituals.

All across the country, Americans are getting back in touch with the wild, walking away from modern-day conveniences and living on the edge. We meet three very different homeowners who’ve taken on the challenges of living off the grid by creating fantasy homes using ingenious solutions, to necessities like electricity, plumbing and heating. Whether it’s using the sun to power their home or rainwater to take a shower, these modern-day pioneers have discovered ways of living off the land and getting by with less.
Join our host and adventurer, Brit Eaton, on his quest to unravel some of the biggest secrets of the ancient world. Brit’s made his living exploring the abandoned mines and ghost towns of the Old West. Now, he’s traveling the globe to investigate the greatest icons of antiquity and the mysteries that still surround them. Shot worldwide in six countries and on four continents, for the first time ever, experience what it’s really like to stand before the Pyramid of Cheops or to walk through the haunted landscape of Pompeii.

AMERICA: FACTS VS FICTION PRODUCED BY WORKAHOLIC PRODUCTIONS, INC. / 2013-2014

SERIES 1-2; 20 X 30

History, as we generally know it, is full of holes or half-truths. Hosted by former Naval officer Jamie Kaler, we uncover surprising and unknown details of American history to draw a line in the sand separating fact and fiction. Discover the truths behind the baffling disappearances in the Bermuda Triangle, find out what pirates really did with their treasure instead of burying it, and learn the shocking realities about prohibition beyond the seemingly lively Roaring Twenties.

HISTORY + CULTURE
MYTHS & LEGENDS
PRODUCED BY BCBG STUDIOS / 2014

Throughout the world, stories of myths and legends are passed down through the generations. But how did they begin? Are they rooted in fact? Could Germany’s Harz Mountains really be the home of Unicorns? Do fairies live in Glastonbury, England? If you think you know the origins of the Lock Ness Monster, think again. This series goes farther, travels to the lands where fact becomes myth and reveals the truths behind Snow White, Dracula and the Philosopher’s Stone, too!

SCARY TALES
PRODUCED BY WORKAHOLIC PRODUCTIONS, INC. / 2011

Scary Tales is a series so weird and fantastic, it needs an extra dimension just to contain itself. There are marauding giants, ghost-plagued forests and human wolves. It’s a place where cannibals feast, kidnappers terrorize and fiends lurk behind every tree as inanimate objects come to life and the innocent are punished. It’s a world that really exists – if only in our own subconscious.

WHAT IF...?
ARMAGEDDON 1962
PRODUCED BY PEACOCK PRODUCTIONS / 2013

How would history have changed had John F. Kennedy been killed in December of 1960, by a deranged suicide bomber, and Lyndon Johnson became president instead – more than three years earlier than he finally did? Through remarkable archival film footage and photographs, we describe how the turbulent history of the early ’60s might have played out differently with LBJ – and not JFK – in office. How would Johnson have handled the pressure of an unprecedented international crisis, when diplomatic and military conflicts threatened to spiral into full-scale nuclear war? We will see how one false move could have brought the world to the brink of worldwide apocalypse.
HILLBILLY BLOOD: A HARDSCRABBLE LIFE
PRODUCED BY SUPERFINE FILMS / 2011-2013
SERIES 1-2; 18 X 30

In Cold Mountain, North Carolina, when it comes to living the hard-scrabble life, there’s nobody better than Eugene Runcus, who’s got hillbilly invention running through his veins. And his mountain brother, Spencer “Two-Dogs” Boljack, has unlocked the secrets at the heart of these woods. These two mountain men demonstrate backwoods ingenuity deep in the mountains of Appalachia.

Across this lawless landscape, a few brave men protected the innocent from an endless stream of gun-wielding outlaws. See the true stories behind infamous icons and legendary conflicts of the Wild West. From unlawful lawman Wyatt Earp, teenage vagabond Billy the Kid, scorned rebel Jesse James, Yankee sharpshooter Wild Bill Hickok, dangerous psychopath John Wesley Hardin and war veteran-turned-assassin Tom Horn, Gunslingers tips its cowboy hat to those who became icons in a wild, wild world.

AGAINST THE ODDS  
PRODUCED BY 43 FILMS / 2012-2014
SERIES 1-2; 12 X 60
During game-changing moments of battle, one wrong move could ultimately cost the war, but lack of teamwork could mean dozens of lives lost in an instant. Against the Odds introduces real-life bands of brothers who exhibited unparalleled bravery, solidarity and endurance on the battlefield to come out on top in a fight against impossible odds. Reliving battles from WWII, Korea, Vietnam and Iraq, these are true stories of the harsh realities of war, as told by the veterans who survived to tell.

BULLET POINTS  
PRODUCED BY NORTH SOUTH PRODUCTIONS / 2012
5 X 60
Each action-packed episode of Bullet Points dives into history’s most important battles to learn their larger significance to the outcome of the war. Through a combination of narration, top expert analysis with cutting-edge computer generated imagery, eyewitness accounts and archival footage, witness the fast-paced, riveting version of how wars are won.
RAW WAR
PRODUCED BY LUMIERE MEDIA, INC. / 2012
1 X 60
This special presents gripping personal stories through newly discovered film and photographs from combat cameramen who filmed some of the most significant military engagements in Vietnam.

LIVE FIRE
PRODUCED BY FLIGHT 33 PRODUCTIONS, LLC / 2011
3 X 60
Live Fire puts the audience through the toughest training of the American military. 3D cameras take you behind the scenes and into the field with squads of soldiers and marines to experience the transformation of raw recruits to battle-ready warriors. Marine “grunts” experience hardcore weapons training at the School of Infantry and U.S. Army soldiers face rioting insurgents in a simulated Iraqi village. It’s a complete immersion into real war fighting conditions – under brutal conditions, with real guns and real bullets.

SKY SOLDIER: A VIETNAM STORY IN 3D
PRODUCED BY TOM JENNINGS / 2012
1 X 60
Told in first person through the eyes of a helicopter pilot who flew tours during the Vietnam War, Sky Soldier recounts the personal war-time journey of Major Joe Glenn, a Silver-Star decorated, two-tour soldier who leaves his young wife and family, and plunges into service as a helicopter pilot in the army at the start of U.S. combat involvement in 1965. A recently discovered archive of rare 3D photographs and audio recordings tells the story of this 10,000-day war in a new light.

WARRIOR POV
PRODUCED BY FLIGHT 33 PRODUCTIONS, LLC / 2013
6 X 60
Dive face-first into the most action-packed infantry battles in recent history, from the point-of-view of our soldiers. See firsthand how these brave and unwavering soldiers pursue the enemy while dodging heavy fire. How will they survive when they do not know what dangers are lurking just over the next hill? How will they adapt when their plans are derailed by the unexpected? Using a combination of helmet cams, computer-generated graphics, and pacing that mirrors the pulse of these firefights, Warrior POV brings viewers straight into the enemy’s gaze, armed and ready for action.

MAN UP
PRODUCED BY BETTY FOR FOX / 2013
10 X 60

For decades, women have fought tooth and manicured nail for equality and independence, but where has this quest left the 21st century male? Presented by British comedienne Olivia Lee, Man Up steps in to transform these hapless blokes into eligible, capable and dateable men. Each man leaves behind his old life and moves into the Man Up flat in London to undergo a week-long, intense program of male reinvention. With the support of counselling psychologist Anjula Mutanda and style guru Gemma Sheppard, each aims to improve self-esteem and arm the men with the tools for a better life.
Property is a national obsession in the U.K. Nothing has proven to be a greater barometer of the state of modern life and the economy than the affordability of its bricks and mortar. With levels of home ownership at its lowest since 1987, the 2013 property market is more complex, fascinating and starkly polarized than ever before. Packed with drama, genuine expertise, colorful characters and natural jeopardy, we follow the highs and lows of the property industry through the eyes of estate agents at contrasting agencies across Great Britain.

**Autistic Gardener**

**Produced by Betty for Channel 4 / 2015**

**HD**

*4 x 60*

Award-winning gardener Alan Gardner leads a team of five autistic, green-fingered amateurs who will use their unique skills to transform neglected gardens across the country in this new four-part series. Alan – who himself has Asperger’s syndrome, a form of autism – believes that people on the autistic spectrum have a special insight when it comes to creating beautiful spaces. Having worked as a garden designer and horticulturist, he brings together a team of gardeners that will work under his expert leadership. The series will see the team transform the forgotten plots into magical gardens.

**Obsessive Compulsive Cleaners**

**Produced by Betty for Channel 4 / 2013**

**HD**

*Series 1-4; 31 x 60*

Obsessive Compulsive Cleaners is back for a fourth series with more dirt, grime and hugely challenging cleans than ever before. Take a step into the lives of people who, by their own admission, cannot stop cleaning and carefully matches them with someone whose home is in dire need of a spring clean. Together, these people with such contrasting compulsions will explore how their different behaviour affects their lives. Whether it’s scrubbing an oven with a toothbrush for six hours or trimming the edges of the lawn with a pair of scissors, the cleaners will go to almost any length to make sure their homes are immaculate.
SHOP SECRETS: TRICKS OF THE TRADE
PRODUCED BY BETTY FOR CHANNEL 4 / 2013

SAY YES TO THE DRESS CANADA
PRODUCED BY CORUS ENTERTAINMENT / 2015

HD SERIES 1-2; 40 X 30

It’s the one dress she’s dreamed about her entire life. And everyone has an opinion about it. Between budget and bling, taffeta and tantrums, not to mention the comments and criticisms of an entourage that can turn any bride’s fantasy into a nightmare, Say Yes to the Dress Canada brings all of the tears, cheers and surprises to the screen, with our own Canadian twist.

(Say Yes to the Dress Canada)
In Beverly Hills, everyone seeks perfection by any means necessary, whether it’s through luxury cars, designer bags, or lots and lots of plastic surgery. There are over 300,000 plastic surgeons in Beverly Hills alone, making it the Mecca of plastic surgery, and turning the surgeons into gods. Everyone wants in this game, though only a few are lucky enough to marry into it. They are the Plastic Wives.

On Valentine’s Day 2012, police in the seaside town of Kennebunk, Maine, uncovered the worst-kept secret in the neighborhood: The local Zumba teacher was leading a double life as a prostitute. When Alexis Wright was busted, police uncovered hours of video footage of her clients, meticulous records of services performed, and evidence that a prominent businessman was watching everything over the Internet. A media circus ensued, with journalist and the local community desperate to find out who the clients were and why all these records were kept. At the eleventh hour, Alexis revealed one of the biggest twists in the story but would anyone believe her?
WHO NEEDS IBIZA?
THE GREAT BRITISH HOLIDAY
PRODUCED BY BETTY FOR BBC THREE / 2014

In the summer, thousands of young British holidaymakers are shunning the expensive resorts of Ibiza, Malaga and Faliraki for a hot spot closer to home – Europa Park in Devon. The family-run campsite proudly flies the flag for the great British holiday and caters to the party needs of 18 to 30 year olds. Striving to supply Brits who aren’t abroad with Balearic-style fun on a budget – the series follows the efforts of owners, the Toms family, and their dedicated team of young staff as they try to overcome a string of wet, recession-hit summers and make 2013 a roaring success.

SKELETON, INC.
PRODUCED BY HOFF PRODUCTIONS / 2011

They’re an ordinary Oklahoma family, running a very out-of-the-ordinary business. Meet the Villemarettes, AKA The Skeleton Crew. Their job? Stripping dead bodies down to bare bones. Their clients? Labs, schools, museums and collectors of the creepy. Animal or human, no job’s too small, too big or too weird. And this work is not for the squeamish. From creepy, flesh-eating beetles to burning hydrogen peroxide baths to skinned animals hanging from meat hooks, the workshop stimulates the senses, but for the Villemarette family, it’s business as usual.

APOCALYPSE PREPPERS
PRODUCED BY FIRECRACKER FILMS LTD. / 2013

The countdown to the end of the world has begun. That’s what apocalypse preppers believe. Until now, they have been dismissed as cranks and crazies, but what if those preppers are right? A growing body of scientists are beginning to agree with them. Whether ruin comes from an ancient plague, an alien attack, or a robot rebellion, this investigation uncovers the shocking reality of their predictions by exploring three ways this apocalypse could play out.
SLICED, DICED, GLUED, PACKAGED AND ASSEMBLED.

Discovery Program Sales is pleased to bring you one of the longest-running and most popular series from Science Channel, *How It’s Made*. Mesmerizing machines, never-ending assembly lines and over 1,200 everyday products are explored from start to finish. Flip the page to find out exactly just *How It’s Made*. 
In 12 seasons, featuring over 1,200 topics, plus two special turbo episodes, we explore how many of the everyday objects or products we seldom stop to think about are made. From hockey pucks and handsaws to drill bits and frozen French fries, How It’s Made offers viewers a first-hand look at how these deceptively simple objects are constructed. Thousands of humdrum items are put to good use on a daily basis, but it’s easy to overlook how things like aluminum ladders, firefighter helmets, matches and engine blocks are constructed. Take a look behind the scenes as we visit dozens of assembly lines where raw materials become finished products right before your eyes. Be amazed to see how many common items are manufactured in high-tech factories around the world.
Picture your dream car: a Maserati or maybe the Audi R8. Have you ever wondered just how that incredible machine was made? Join the How It's Made crew as we go around the world to the birthplaces of your favorite cars, revealing the inner workings and gorgeous exteriors with amazing access to factories and test labs.
