IF THESE WHEELS COULD TALK.

AUTO/BIOGRAPHY

AVAILABLE 2018

THE BREAKTHROUGH CAR CRIME ANTHOLOGY

SHOT IN 4K
Supercar mysteries unfold on a global scale, as we unravel the impossible stories of buried Ferraris, haunted Porsches, and even James Bond’s missing Lotus. Told through the eyes of the investigators, owners, and even the crooks themselves, Auto/Biography is an anthology of 1-hour investigations into the underground world of disappearing priceless cars, captured in beautiful, stylized 4K HDR.
